From the Pastor's Desk: When we were baptized, we were incorporated into Church as a child of God. This first sacrament paves the way for us to have many privileges like receiving the other sacraments and it also bestows on us other responsibilities like attending Mass regularly and becoming a faith filled disciple. Christ Jesus truly wants his followers to travel down the road of spiritual excellence as we are called to grow in holiness.

It is important for a disciple to grow in holiness as one comes closer to Christ. Holiness is not so much about being separated from the world. No, holiness is bringing God into the world. Christ revealed the Father 's love to the people He encountered every day. The disciples were sent out in the villages and towns with the message of the Gospel; God is near to you this day. We are asked to share the same message with the people we encounter every day. It is by our actions that others will either be attracted to or repelled from joining Christ Jesus.

We have been given a mission to bring others to Christ and His Church. This is not done with grand arguments or finely woven presentations. It is usually accomplished by a smile, a kind word or a simple gesture. When our lives radiate Christ others will be drawn to the beauty that is the Catholic Faith.
