We will be using the 2021 online version of Finding God from Loyola Press. We have used this curriculum in the past and are pleased to be using the most current option. We will meet on the second Saturday of the month each month to provide a community to come together and discuss how in-home catechesis is going. We will be meeting by grade level to ensure that everyone is able to have time with other students and families their age. Classes will meet from 4:00-4:45 pm, followed by 5pm Mass. A more detailed letter has been mailed to those families with students in elementary school. We look forward to seeing your students back in the building!

In Christ, Isabel Pugh
